You have a disability, you are between Ages 14-30, based in the United States, and planning an exchange from the USA to another country. What is AES? AES is a preparatory course designed for a cohort of U.S. individuals with disabilities about the many opportunities to study or volunteer abroad and to provide guidance about disability-related considerations.

The Summit is for you if:

- You have a disability,
- You are between Ages 14-30,
- Based in the United States,
- Planning an exchange from the USA to another country

- You have never been abroad before,
- You are not sure if international exchange is for you and would like to learn more,
- You don’t know where to start.

Summit will cover a variety of topics:

- Disability culture around the world
- Creating your own international education plan
- Conducting research into a program
- Researching into disability-related concerns
- Negotiating reasonable accommodations
